

DD528

**KEEPS OVERHEADS DOWN
FAST...SMOOTH...EFFORTLESS DRILLING**

HEAVY DUTY BATTERY POWERED DRILLING

- Belt battery adaptor available
- High power to weight ratio
- Vibration reduction
- Ergonomic handles
- Impact stop for wood or steel
- Two batteries per pack, (1.7Ah & 3.0Ah battery options)
- Less fatigue...less labour time

DRILLING RANGE

Diameter in concrete 5-20mm

Optimum in concrete 6-12mm

Diameter in steel - up to 10mm

Diameter in timber - up to 25mm

CHARGE TIMES

Battery	Charge Time
1.7Ah	23 minutes
3.0Ah	40 minutes

SPECIFICATIONS

- Power Input 360w
- Rated Speed 0-1,000rpm
- Impact Rate 0-4,000bpm
- Impact Energy 2.0J
- Weight (incl. battery) 3.6kg
- Carbide R3 PLUS™

DD528 KITS
